

# **In my dreams**

In my dreams I can be anyone,  
In my dreams I can do anything,  
In my dreams I can go anywhere,  
In my dreams I can fly to the stars.

As I move through a fantasy land,  
I see castles and dragons,  
A fairy takes my hand.  
Then a witch in the moonlight suddenly appears!  
But the fairy whispers:  
There's nothing to fear.

In my dreams I can be anyone,  
In my dreams I can do anything,  
In my dreams I can go anywhere,  
In my dreams I can fly to the stars.

As I sail across the deep blue sea,  
I see pirates in their ships,  
They're all coming for me.  
So I close my eyes – a magic wand appears,

I'm the world's greatest magician,  
With nothing to fear.

In my dreams I can be anyone,  
In my dreams I can do anything,  
In my dreams I can go anywhere,  
In my dreams I can fly to the stars.
